

2024 Local Planning Assumptions

13th December 2023

Transmission Planning Assumptions

- I. ODEC uses the following for its transmission planning:
 - (1) RTEP cases as provided by PJM
 - (2) Load forecasts as consolidated by PHI consistent with the PJM load forecast for DPL zonal coincident peak load.
 - (3) Historical Coincident Peak Loads over the last 5 years
 - (4) Planning criteria submitted to PJM by ODEC
- II. ODEC and PJM test these facilities against the planning criteria.
