- User terminations:
 - Allow termination of a user account from the User Certification Screen rather than having to go to the Profile screen
 - Ability to terminate multiple users at one time from the User Certification UI
 - Terminated users access will not have to be certified
- User information:
 - Display if a user account is locked in Certification UI and the reason why the account is locked
 - Make SUMA Accounts stand out more so CAMS can see that they have subaccounts to certify
- Reporting:
 - Enhanced filtering: complete, not complete, ability to see how many left to complete
 - Emails will have report attached to CAMS xx days before close with list of user accounts that still need to be certified
