- 11,352 Emergency Registrations submitted for LSE Review
- 771 of them Denied for either:
 - Wrong LSE (700, 91%)
 - Contractual Obligation (71, 9%)
- Typical Contractual Obligation denial reasons
 - Account not in our system
 - LSE contract ends before DY ends
 - Need 20 digit POD ID
- Small number of Contract Obligation denials (6) for what appear to be RERRA type issues
 - These may really be EDC denial reasons rather than LSE
