

NEPA

October 14, 2011
Adrien Ford

- NEPA categories of changes:
 - Clarifying language with existing NEPA
 - Minor modifications to existing NEPA
 - Either as a long-term solution or a transition aid
 - Market design changes to provide greater certainty of payment streams
 - Potential market design outside the NEPA construct of RPM

- Clarifying language with existing NEPA
 - Discussion led by PJM (10/14)
 - Goal to move forward with more clarity

- Minor modifications to existing NEPA
 - Either as a long-term solution or a transition aid
 - Matrix packages that are minor modifications
 - Packages 2 and 4

- Market design changes to provide greater certainty of payment streams
 - Potential market design outside the NEPA construct of RPM
 - Matrix packages that are beyond minor changes
 - Packages 1, 3, 5, 6, and 7
 - Short-term performance assessment charge for a voluntary auction
