# Supplemental Project Definition – Revised

*Operating Agreement defined term*

## CLEAN VERSION

### 1.42A.02 Supplemental Project

“Supplemental Project” shall mean a transmission expansion or enhancement that is not required for compliance with the following PJM criteria: system reliability, operational performance or economic criteria, pursuant to a determination by the Office of Interconnection and is not a state public policy project pursuant to section 1.5.9(a)(ii) of Schedule 6 of the PJM Operating Agreement. Any system upgrades required to maintain the reliability of the system that are driven by a Supplemental Project are considered part of that Supplemental Project and are the responsibility of the entity sponsoring that Supplemental Project.

## REDLINE VERSION

### 1.42A.02 Supplemental Project

“Supplemental Project” shall mean a ~~Regional RTEP Project(s) or Subregional RTEP Project(s), which transmission expansion or enhancement that~~ is not required for compliance with the following PJM criteria: ~~System-system~~ reliability, operational performance or economic criteria, pursuant to a determination by the Office of Interconnection- ~~and is not a state public policy project pursuant to section 1.5.9(a)(ii) of Schedule 6 of the PJM Operating Agreement. Any system upgrades required to maintain the reliability of the system that are driven by a Supplemental Project are considered part of the that-Supplemental Project and are the responsibility of the entity sponsoring the that Supplemental Project.~~

- Removes misperception within the definition regarding the PJM RTEP
- Language clarifies what a Supplemental Project is and what it is not
- Documents that any upgrades to maintain system reliability necessitated by the a supplemental project trace back to the sponsor of the supplemental project
