

Tariff, Part I, Definitions O-P-Q

"Principal" shall mean (i) all natural persons who Control Corporate Level Strategy for the Participant, which shall include a chief executive officer, managing member (or equivalent positions regardless of title) and members of a board of directors or board of managers; (ii) the chief legal officer or general counsel (or equivalent position regardless of title); (iii) the natural person who Controls the financial affairs and investments of the Participant, which shall include a chief financial officer (or equivalent position regardless of title); (iv) the natural person who Controls the Participant's management of commodity and derivatives market risks, which shall include a chief risk officer (or equivalent position regardless of title); (v) the natural person who Controls the Participant's transactions in the applicable PJM Markets (regardless of title); and (vi) all Beneficial Owners.

"Control", as that term is used in this definition, refers to possession of the power to direct the management or policies of an entity.

"Corporate Level Strategy", as that term is used in this definition, refers to the highest-level strategy of an entity, focused on the entity's overall direction rather than the day-to-day operations of the entity.

"Beneficial Owner", as that term is used in this definition, means a natural person who, directly or indirectly, alone or together with such person's Family Members, owns, controls, or holds with power to vote 10 percent or more of the outstanding securities of the Participant. "Family Member", as that term is used in this definition of "Beneficial Owner", means a spouse, domestic partner, parent, child, or sibling.

For purposes of trusts with, directly or indirectly, 10 percent or more of the outstanding securities of the Participant as described above, the following are Beneficial Owners: (a) a natural person trustee; (b) a natural person with the authority to dispose of the trust assets; (c) a natural person grantor or settlor who has the right to revoke the trust or otherwise withdraw the assets of the trust; and (d) a natural person beneficiary who is the sole permissible recipient of income and principal from the trust or has the right to demand a distribution of or withdraw substantially all of the assets from the trust.

If, due to the Participant's business enterprise, structure or otherwise, a function described in clauses (i) through (v) above is performed by a natural person or entity separate from the Participant (such as a risk management department in an affiliate, or a director or manager at an entity that controls or invests in the Participant), then for that Participant the term Principal shall mean that natural person, or the senior officer or manager of that entity, that performs such function.
