<b>Impacted Manual sections:</b>	
2.7 Evaluation of Operational Performance Issues	
<b>Reason for change:</b>	
<p>The Planning Committee was assigned a task by the MRC that originated with the Energy Market Uplift Senior Task Force (EMUSTF) to incorporate consideration of uplift into the planning process.</p>	
<b>Summary of the changes:</b>	
<p>Section 2.7 of the manual was revised to incorporate consideration of uplift payments when developing Operational Performance RTEP upgrades. The changes note that PJM will complete an annual review of uplift payments and what is driving them and develop RTEP upgrades to mitigate the uplift when appropriate.</p>
