- ▶ The PJM website: <https://pjm.com/library/manuals.aspx> instructs as follows:
 - Proposed Manual revisions are reviewed by the PJM Market Implementation Committee (MIC), the Planning Committee (PC) and/or the Operating Committee (OC) depending upon the content of the proposed revision.
 - The PJM Markets and Reliability Committee (MRC) is charged with reviewing proposed changes to the PJM Manuals after they are reviewed by the MIC, PC or the OC. See PJM Committee Structure.
- ▶ M34 envisions but does not clearly state.
- ▶ Proposed Conforming Change to M34:
 - Any changes made as a result of the Periodic Review or as a result of separate stakeholder motion will be brought to the appropriate standing committee for review and endorsement before final endorsement at the appropriate senior committee unless a majority of each sector votes to suspend the rules.
