The proposal:

PJM slide presentations should include the following information:

- Name of presenter and title (or person to contact)
- PJM group
- Date
- contact information (phone # or e-mail address)

*there can be exceptions as needed on a case-by-case situation

Next Steps

- Should we move forward with requesting more contract information on the slides from PJM? What is the process?
- Should we move forward with similar requirements for stakeholder presentations?
