COST DEVELOPMENT SUBCOMMITTEE

Dear Subcommittee Members:

RATE FOR COSTING STATION SERVICE ELECTRICAL REQUIREMENTS DURING UNIT START-UP

The new rate for costing station service electrical requirements during unit start-up has been changed from \$18.54/MWh to **\$17.26/MWh**. Please use this rate in all unit start cost calculations during the **First Quarter of 2021**. This rate was obtained by calculating the average off-peak LMP for the 12-month period from December 2019 through November 2020.

Sincerely,
Jennifer Warner-Freeman
