

Future IPS Topic Poll

February 2023 IPS

Christina Andalora

Sr. Engineer

Interconnection Projects

- Which topic are you most interested in hearing more about at an upcoming IPS meeting? Consider both pre and post transition.
 - Site control
 - Readiness deposits
 - Allowable project changes (what and when)
 - Queue Point user guide
 - Assumptions for study cases
 - Affected systems
 - Other (type in meeting chat or email PJM presenters)

Presenter:

Christina Andalora, Sr. Engineer,
Interconnection Projects
