

# Power Meter/InSchedule Holiday Submission Timing

Market Settlements Subcommittee  
February 17, 2015

- Stakeholders recently proposed and endorsed extensions to the Power Meter/InSchedule data submission deadlines effective 6/1/2015
- Proposed Power Meter submission timing:
  - Monday - Thursday Operating Days: Next business day @ 4pm EPT
  - Friday - Sunday Operating Days: Monday @ 4pm EPT
- Proposed InSchedule submission timing:
  - Monday - Thursday Operating Days: Two business days @ 4pm EPT
  - Friday - Sunday Operating Days: Tuesday @ 4pm EPT
- PJM identified a potential timing issue related to two-day holidays that fall on a Thursday and Friday
  - Data needed for the weekly bill would be due after the bill is issued

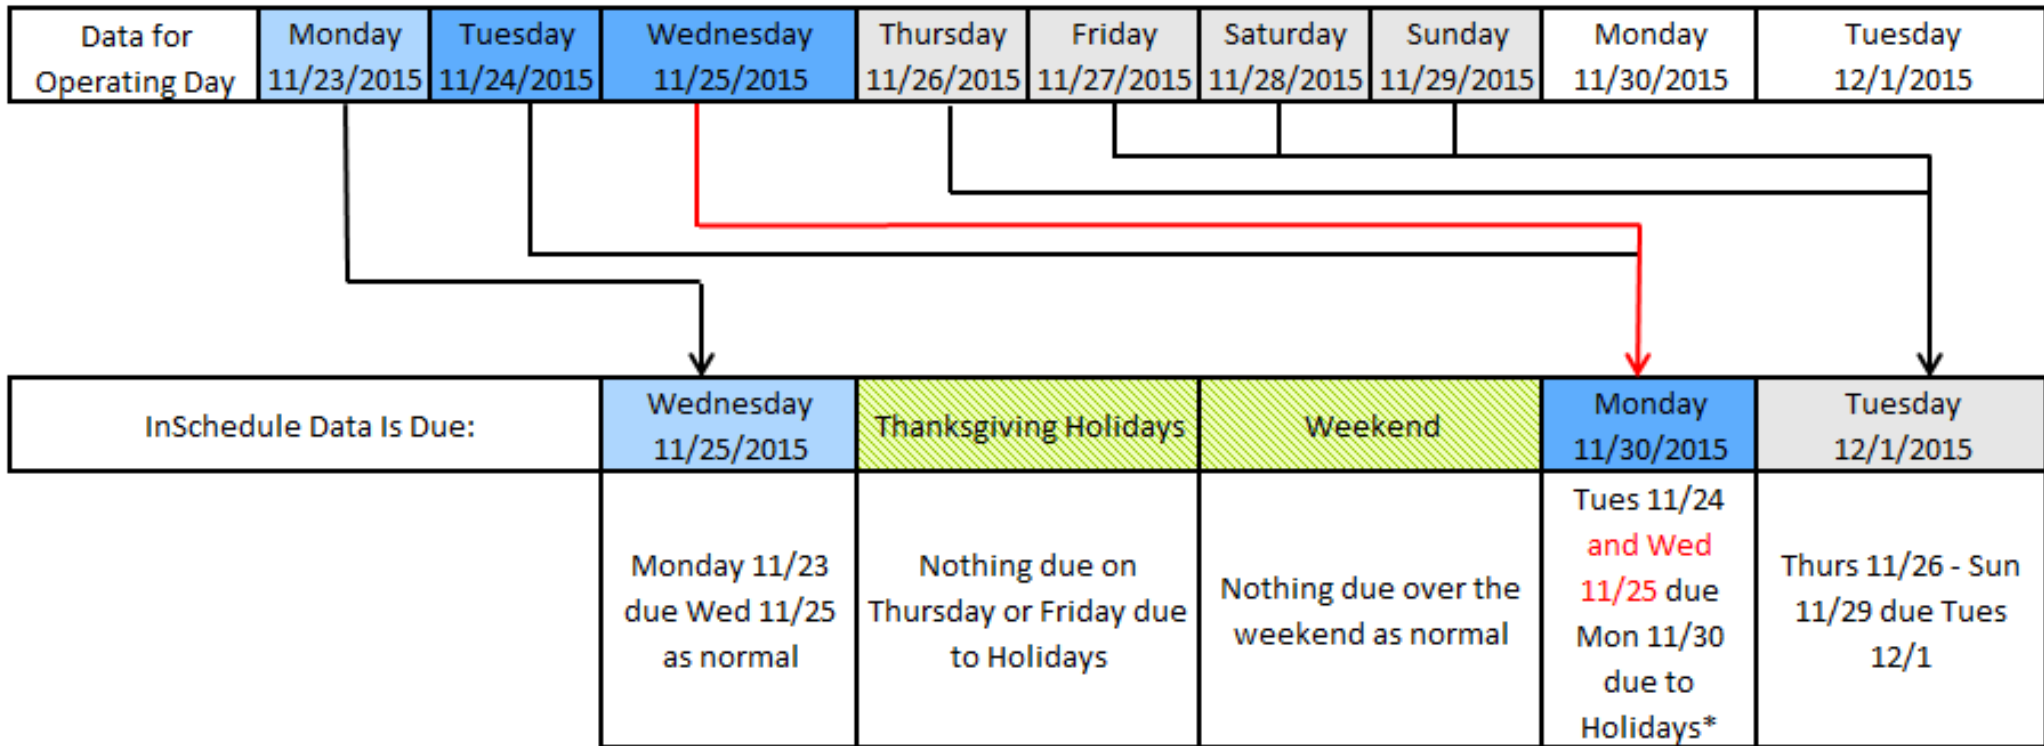

- Weekly Bill issued on 12/1/2015 includes MTD activity through Wednesday 11/25.
- Timing Issue: per revised submission deadlines, Wednesday 11/25 is not due until Tuesday, 12/1 at 4 PM.

# Proposed Submission Deadline for Two-Day Holidays

- In the event of a two day holiday falling on Thursday and Friday of the previous week:
  - Require Wednesday (11/25) PowerMeter data submitted no later than Monday at 12 PM
  - Require Wednesday (11/25) InSchedule data to be submitted no later than Monday at 4PM

\*Would require Wed 11/25 Power Meter submission to be submitted by 12 PM

- Discuss incorporating special case in InSchedule User Guide
- Develop User Guide Language
