Re: *Baltimore Gas and Electric Company*, Docket No. ER09-1100-000,
Errata to Electronic Informational Filing of 2017 Formula Rate Annual Update; Notice of Annual Meeting

Dear Ms. Bose:

Baltimore Gas and Electric Company ("BGE") filed the 2017 Annual Update on April 24, 2017. Due to an administrative error we are reposting a corrected Attachment 7 in the above referenced proceeding to reflect an incorrect formula in the first year of the 2016 project grids.

The April 24, 2017 prior filing remains unchanged in all other respects. We are submitting a copy of this errata to PJM to post for informational purposes.

Respectfully submitted,,

/s/ Gary E. Guy
